

Darryl Mar

Supervisor, County Cost Plans Unit California State Controller's Office

Darryl started with the State Controller's Office in July of 2012 in the County Policy Unit working with trial court revenue, legislation, and various local government advisory committees. In March of 2014, he joined the County Cost Plans Unit reviewing, negotiating, and approving countywide cost allocation plans. In September of 2018, he was promoted to supervisor of the unit.

Darryl has a Bachelor's of Science with a concentration in Accounting from California State University, Sacramento.

He enjoys cooking, brewing beer, home DIY projects, camping, backpacking, traveling, and the NBA.
